

OUR RECTOR

The Rev. Justin Falciani

The Reverend Justin Falciani was called to serve as Rector of Saint Mary's Episcopal Church, Hampton Bays, in April 2024, becoming the sixth Rector in the parish's history. Prior to coming to Saint Mary's, Father Justin served for more than thirteen years as Rector of Christ Episcopal Church in Somers Point, New Jersey.

Father Justin received his Master of Divinity from Virginia Theological Seminary in Alexandria, Virginia, and his Master of Arts in Theology from Union Theological Seminary in New York City. His ministry reflects a deep commitment to the life of the Church, pastoral care, and building meaningful relationships within the wider community.

Since arriving at Saint Mary's, Father Justin has helped expand the parish's ministry and outreach in new and meaningful ways. Under his leadership, the parish has established, for the first time in its history, an active Hispanic Ministry and outreach, as well as a Native American Task Force. He has also encouraged the growth of a Young Families Group and serves as chaplain to the parish's Daughters of the King.

Father Justin believes that the ministry of the Church extends beyond its walls and into the wider community. In keeping with this vision, he serves on the Safe in Southampton Coalition, a community organization in the Town of Southampton that connects individuals and families with behavioral health resources, treatment information, and crisis support services.

He is also part of a group of community partners working to support the continued development and availability of the HALI Mobile Shower Unit (MSU) on the East End, helping provide essential services and dignity to individuals experiencing homelessness.

Through his ministry at Saint Mary's and his involvement in the wider community, Father Justin seeks to help the parish live out its calling to proclaim the Good News of Jesus Christ through worship, service, hospitality, and love of neighbor.
